It is our great pleasure to invite you to a night of celebration at our 2019 fundraiser. This dinner event is in support of our cherished artist residency programme, and the wide-ranging education and outreach initiatives we make available to the public. It is our hope that you will consider hosting a full table, or purchasing several seats.

As a not-for-profit organisation, all of STPI's endeavours and achievements to date have been secured by the support of our ardent followers, collectors and stakeholders. The Annual Friends Gala Dinner is a crucial occasion for STPI to raise essential funds, in a strong bid to expand our operations and further our legacy of pushing the boundaries of print and paper in contemporary art today. As we look ahead, we aspire to continue broadening the scope and depth of our various offerings.

Alternatively, if you are unable to attend and would like to make a cash donation, please click the buttons below. Your investment in STPI is deeply valued, and serves to fuel our pursuit towards artistic excellence and greater engagement with wider audiences.
